

Eye testing and provision of eyeglasses at a nominal cost to the of the weavers in collaboration with Visionspring Foundation on 7th August 2022

As per program, registration and eye testing of weavers was started on the forenoon of 7th August 2022, the National Handloom Day in premises of the Nuapatana no 2 Weaver Coop Society in an orderly manner. Visionspring foundation deployed technical team with equipment, who undertook the eye examination and provided eyeglasses on payment of a nominal amount of Rs 80 only per eyeglasses. The weavers expressed satisfaction and gratitude by getting the eyeglasses at a. The team assured that those needing special eyeglasses, which were not readily available with the team, would be provided eyeglasses within a period of one month. On the first day, eye screenings of 98 weavers were done, out of which 84 weavers were provided eyeglasses. The program will continue for about ten days for covering up to 1,000 weavers as per target.
