

**20240102 Training of women weavers under the NABARD program
started at Haripur on the 2nd January 2024**

SHRADDHA collaborated with the Weavers Service Centre, Bhubaneswar under the Development Commissioner for holding a training program for promotion of handloom and empowering the weaver with better skill. The program **was** started in the Demonstration centre, Haripur Badamba block, Athgarh **on the 2nd January 2024**.

The program aimed at improving quality of handloom fabrics and product diversification from saree to dress materials with a view to increasing the earnings of the weavers. Shri Vikas Kumar, Deputy director, Weavers Service Center gave his personal attention. for this initiative.

Shri Surendra Kumar Patra, Vice President supervised conduct of the program. It is hoped that the training program will enable the weavers to weave better and new product as per the taste of the consumers and help in increasing their earnings.
